- Golf items
- Art
- Picture frames
- Beer

The BBBS Staff and Gala Committee have been busy gathering donations for our silent auction baskets as well as live auction items. This event is our second largest fundraiser, providing 25% of our annual operating budget!

At this time, we request your assistance in reaching our goal of 200 baskets for this year's event!!

Perhaps you and your colleagues, friends, family, church members, child's school, athletic parents association, or professional associations would like to put together a themed basket.

Also, please keep in mind we accept new items that you or someone you may know have lurking in closets or under beds...those things that you bought thinking you would use but never did, or those kid's fundraising items you purchased but didn't really want anyways, or those gifts that just don't quite suit your style or taste but you feel bad just getting rid of them...we will take them ALL off your hands!!

**All items are due by November 5th**

Any Questions? **330.339.6916**
